Toro Oil & Gas Ltd. is seeking a **Contract Production Operator** for their Coronation field. The Production Operator is responsible for all aspects of oil well and battery operating, and reports to the Field Foreman.

Job Description

- Operate oil and gas wells and associated facilities
- Commission new wells and equipment startups
- Ensure all corporate HSE and compliance programs are followed
- Diagnose well issues and identify remedial actions
- Able to be 'On Call' and respond to field events during non-work hours

Qualifications

- Ability to operate facilities including oil batteries, satellites and compressors
- Excellent understanding of artificial lift systems and free flowing gas wells
- Strong troubleshooting skills in analyzing well performance and proposing solutions
- Understanding of production reporting systems (Prodman or equivalent)
- 5 years or more of related industry experience
- Valid safety certifications, class 5 driver's license and wellhead insurance
- Disciplined work ethic, ability to take initiative and work independently
- Satisfactory pre-employment drug and alcohol test

Toro Oil & Gas Ltd., a wholly owned subsidiary of Steelhead Petroleum, is a private company with strong financial backing through ARC Financial. More information can be found at <http://steelheadpetroleum.com/> under the *Careers* section.
